Annual Report

Greetings, Friends!

Thank you for your interest. Your generosity directly supports the Bird Alliance's programs, events, advocacy, conservation projects, and grant funding to community-based non-profits. Together, we are active in hands-on environmental work.

Saint Paul Bird Alliance welcomes everyone to participate in our activities and events. Membership is not required. All can get involved--join our field trips, go birding at Warbler Weekend, participate in the Winter Bird Count, take in an educational program, help with a project, or explore committee work to set policies and encourage change that enables birds to flourish.

To get started, check out Events on our website: saintpaulbirdalliance.org

This report shares information on the year's finances, activities highlights, and a list of donors.

"Almost everyone who sees birds at all knows and loves the little Chickadee. Its confiding ways and cheery notes, winter and summer alike, endear it to all." Dr. T. S. Roberts, *Birds of Minnesota*, 1932

Highlights by the Numbers*

2,450
students introduced to birding and habitat adaptation through the Big River Journey boat trips run by the National Park Service and aided by 7 Bird Alliance volunteers.

9
speakers provided interesting information about birds and natural habitat by in-person programs or via Zoom.

9
nonprofits received grants to further their work in environmental improvement, community outreach, native pollinator plantings, and bird protection.

120
birders went afield for the annual Winter Bird Count found **13,815** birds of 53 species.

20
Baby American Kestrels have fledged from 4 nest boxes out of 7 in summer 2026. Bird Alliance Conservation Committee volunteers maintain the boxes and observe the birds.

19
species of **butterflies,** as well as the very rare Ghost Tiger Beetles, were tallied by Bird Alliance volunteers at the annual count in July 2026 at the Arden Hills Army Training Site.

478
people attended **44** field trips. In addition to typical birding afoot, some trips included field sketching, feeder watching, Birdability, Big Sit, and birding after dark.

19
members of Urban Bird Collective received funding to attend Warbler Weekend

Photographer: Monica Bryand

"I attended my first Warbler Weekend in May. I had a fantastic experience and appreciated the welcoming atmosphere—not to mention adding a handful of lifers to my list! I appreciated the food provided and liked that there was a running list of species observed. I'm already marking my calendar for next year!" Adam Smith

Become a Chapter Member

We invite you to become a Saint Paul Bird Alliance Chapter Member by making an annual gift of $25 or more. Your donation goes directly to our chapter's local efforts to enjoy, understand, and protect our birds. This includes:

- Making grants to local organizations focused on conservation, education, and environmental action
- Bringing speakers to our monthly chapter meetings, September through May, who educate and excite our passion for birds and the environment
- Creating and supplying educational opportunities for students.
- Supporting critical community science activities
- Protecting populations of at-risk bird species through habitat restoration and special projects
- Providing fun and informative field trips

Thank you to our volunteers

We are grateful to the many people who give their time and expertise voluntarily. Volunteers serve on committees, perform conservation activities, help with events and field trips, and make things happen behind the scenes.

Our volunteers are essential for building a strong and active birding community.
